CRAIG MORGAN National C&W Recording Artist

Craig Morgan will be performing in the Arena Building. Craig will be available for pictures and autographs after the show. Show will begin at 3:00 PM.

One of country music's best-loved performers, BNA Records recording artist Craig Morgan has made a name for himself with massive radio airplay of his Top Ten hits like fan-favorite "International Harvester." The song tells the story of a "... God-fearing, hard working combine driver hoggin' up the road... on my International Harvester." His other Top Ten hits include "Little Bit of Life," "Tough," "Almost Home" (Music Row Song of the Year in 2003), the chart-topping summer anthem "Redneck Yacht Club," and "That's What I Love About Sunday"--which spent five weeks at #1 and was Billboard's Most Played Country Song of the Year in 2005. Case IH is the title sponsor of Morgan's 2008-2009 North American concert tour: "Craig Morgan International Harvester Tour Powered by Case IH... The Legend Rolls On."

PARADE Michael Perry: Parade Marshall

In conjunction with the Wisconsin Historical Society there will be an IH tractor and truck parade from the Alliant Energy Center to the Library Mall and the Wisconsin Historical Society's Headquarters Building. The parade will feature 140 tractors and trucks that will leave the Alliant Energy Center at 10:30 AM on Friday morning. The Parade route will go across the Causeway (John Nolan Drive) turn on Broom Street, head up W. Washington Ave then circle the Capital Square to Wisconsin Ave then down Langdon Street to the Library Mall. The vehicles will then be displayed on Library Mall from 11:30 Am to 1:00 PM before returning to the Alliant Energy Center.

The Parade Marshall for the parade is National Best Selling Author Michael Perry. Michael is the author of Population: 485, Coop and Truck: A Love Story. Much of the research for Truck was done at the Wisconsin Historical Society's IH-McCormick Archives. Michael will also do a book reading and signing at 3:00 in the Arena Building on the Alliant Energy Center grounds.
