

Thank you for your interest in hosting a Farmall Frolic. There are a few requirements to host a frolic.

- 1) Your show must feature International Harvester.
- 2) IH Collectors Wisconsin Chapter 4 will be included in your advertising.
 - a) Any advertising with IH Wisconsin Chapter 4 in it cannot include "Tractor Pull or Tractor Ride" information. If your club has a "Tractor Pull or Tractor Ride" you need to advertise that separately.
- 3) A location needs to be provided for a membership meeting – normally Saturday afternoon. This can be a building, tent or room with seating for 50-100 people. If there is a PA system available for the meeting we would appreciate being able to use it.
- 4) Space needs to be available in or near the IH feature where we can set up 2 or 3 tables to sell club merchandise and promote IH Chapter 4. We have a small tent we can set up for this but prefer a building that can be locked up at night so we don't have to pack up everything at night or when the weather is inclement.
- 5) Fill out and submit an application to hold a Frolic.

Now, you're probably wondering what Chapter 4 will do for you. We will:

- 1) Advertise your show on our website, face book page and in our newsletters. We will also hand out your show flyers at our events if you provide them to us.
- 2) We will promote your show to our members and ask them to bring and display their equipment at your show.

Thank you again for your interest. Once we receive your request will be in contact with you about hosting a Farmall Frolic.
